

Local Cars Are Involved As Six Hurt In Wrecks

Half Dozen People Injured In That Many Car Accidents

Six people were injured in as many motor vehicle accidents in this immediate area during the weekend. Two of the eight vehicles involved were from Truckee.

Lester Foster was taken to the Tahoe Forest Hospital Saturday night for treatment of minor injuries after a car driven by Mike Giooca collided with a truck operated by Walter P. Gross of San Leandro on Donner Grade. Foster and Giooca are both well known Truckee young men. The latter was cited by Patrolmen Martin Sturcke and C. S. Maynard for being on the wrong side of the road and driving without due caution.

Two were injured Monday night when cars driven by William Porter, Truckee antique store operator, and James Joseph Kenny, 51, Reno, collided on one of the twin bridges near Boca. Porter's mother Mrs. Bernice Randolph and his aunt, Mrs. Walter C. James, both of Berkeley, were treated at the hospital here for minor injuries. Kenny was cited by Patrolman Maynard for driving without due caution and not having his vehicle under control.

Lewis Lee Crabtree, 27, Colusa, lost control of his car on the bridge at the quarantine station and narrowly escaped death. The vehicle crashed into both sides of the bridge. The driver was treated at the local hospital and cited by Patrolman William Gautsche for having defective brakes and being on the wrong side of the roadway.

James R. Duke, 27, San Francisco, had a broken leg after his car hit a fence at Hirschdale Sunday morning at 4:30 a.m. He was treated at the Tahoe Forest Hospital.

Loyalton Hi Students Will Visit Tomorrow

Fifty students from Loyalton High School will visit Tahoe-Truckee High School tomorrow and take part in various activities throughout the afternoon and evening. Jim Brehler, boys' athletic director, stated that the activities would start with a pep rally at 1 p.m. Loyalton will arrive at 3 p.m. and the boys of Tahoe-Truckee will play the Loyalton boys softball while the girls of the two schools compete in the same activity until 5 p.m. Horseshoe and table tennis matches will take place before dinner.

Dinner will be served in the cafeteria from 5:30 to 7 and then the two groups will play volleyball until 9 p.m. Dancing in the cafeteria until 11 p.m. will conclude the activities for the day.

Voting and Smorgasbord Topics at P.T.A. Session

Mrs. John Grackl presided at the meeting of the Truckee Elementary Parents and Teachers Association Monday evening, when Douglas Barrett was guest speaker and briefly gave facts and figures showing the importance of the individual's responsibility in casting a vote for better government.

Also, plans were discussed for the P.T.A. smorgasbord dinner at the school Saturday night at 6 o'clock. Admission will be \$1 for adults, 50 cents for children.

Mesdames Lester Braasch and Lloyd Van Sickle served refreshment following adjournment. The first grade won the attendance award.

Charter Night Observed By Truckee Rotary Club

Charter Night anniversary of the Truckee Rotary Club was held Sunday evening at Donner Summit Lodge, with Jim Sherritt master of ceremonies. He gave a brief account of the growth of Rotary locally and the account of all the past presidents. Guests present were Mr. and Mrs. Reginald E. Smart, Jack Wolert, Mr. and Mrs. N. F. Dolley, Mr. and Mrs. Alvah Hooper, John McBride.

The club was founded in 1939 with 20 members and Joe Mattos as first president.

Visits Son— Barney Phipps, who is employed in Sacramento, visited his family this week. The couple's son, Brian, who had a recent eye injury while playing is reported to be steadily improving.

Engle Addresses Local Meeting In Tour Of District

The threat of communism and an uncontrollable spending program was voiced by Congressman Clair Engle of Redding as the major problems faced by the government today when he addressed a joint meeting of local service clubs at the high school cafeteria Monday night.

The discussion centered about the high budget, with emphasis on foreign relief, which the speaker said could be cut in half without endangering our world position. He also cited heavy demands made by various national groups for federal financial assistance, while at the same time these same groups were demanding lower taxes.

Budget balancing, a curtailment of waste expenditure both domestic and foreign and a most strict adherence to the fundamentals of constitutional government were given as remedies for a current unhealthy condition.

The speaker was introduced by Clarence Tollefson and William F. Curran, president of the Truckee Rotary Club, presided.

Dinner was served in the cafeteria by Mrs. Emily Bergmans and her staff.

Following the meeting during which Engle answered a number of questions following his address, the visitors were escorted on a tour of the Tahoe Forest Hospital and the project received the wholehearted approval of the representative.

Congressman Engle arrived in California two weeks ago and, following a rapid tour of his district, will return to Washington May 23. He was accompanied by his administrative assistant, Jack Matteson.

Coast Guard, County Tahoe Rotary Topics

TAHOE CITY—Fred Main of Tahoe City spoke before the Rotary Club here on the Coast Guard at the meeting Tuesday and L. L. Anderson, Placer County supervisor, was on hand to speak on county government and to answer round-table questions.

Tom Lucas and M. H. Dodd were visitors from Brockway Rotary. Also visitors were Marshall Runkala, Lake Forest; A. Garven, Sparks, and seven Tahoe City firemen, Al Henry, Martin Spitsen, Dick Carnell, Leonard Bury, Pete Vanni and Harold Doig.

The joint dinner meeting at Tahoe Inn at 7 p.m. of Tahoe City and Brockway Rotarians has been moved to May 19 instead of May 20.

Andy Garcia Calls From Hawaii on Way Home

Andy Garcia called this morning to let his folks know he is coming home after service in Korean theater with the Navy. He called his mother by telephone from Hawaii and expects to be home some time this month.

Pesci Rushed to Hospital With Ailment in Leg

A. Pesci, 73, widely known Truckee resident, was rushed to the hospital at Nevada City this week when a serious infection developed in his left leg and for a while it was feared the member might be amputated. He was reported improving yesterday, however. Pesci's right leg was amputated several years ago.

SHAW RESIGNATION ACCEPTED BY BOARD

At the meeting of the governing board of the Tahoe Forest Hospital District last Friday, the resignation of Philip Shaw, administrator, was accepted, but the official will remain here in his present capacity until June 1. C. R. Heller, board president, said the district has made plans to replace Shaw at that time.

In the meantime efforts are being made to secure three nurses to fill the staff at the local institution.

Return Home—

Mr. and Mrs. Anton Mahne returned home Monday from Sacramento and San Francisco, where they visited relatives and friends.

Sebastopol Man Chosen To Head High School Here

Board Makes Unanimous Choice from Field Of Twenty

George A. Bergen was appointed by unanimous vote to the principalship of the Tahoe-Truckee High School at the regular meeting of the governing board of the Tahoe-Truckee Unified School District Tuesday. He will succeed Clifton King next year.

Bergen is at present administrative assistant and night school superintendent at Analay High School, Sebastopol. He has held teaching, counseling and administrative positions also at Tustin high and elementary schools, Redondo Beach high school and the Lompoc Union high school.

Bergen is a graduate of LaVerne College and the University of Southern California. From the latter institution he received his Master of Science degree and general administrative credential.

He is married and has two sons, aged nine and four.

He was chosen from 20 applicants for the position.

HEALTH ROUND-UPS OF PRE-SCHOOLERS SET NEXT WEEK

A health round-up of Truckee and Donner Summit children between the years of the three and those entering kindergarten or the first grade this fall will be held in the Truckee elementary school library Wednesday, May 21, between 10 a.m. and noon. Dr. L. D. Nelson and nurses Mrs. Helen Thom and Mrs. Mary Malveik of Auburn will conduct the examinations, according to Mrs. Ray Scott, health chairman for the Truckee Elementary Parents and Teachers Association, the organization sponsoring the project.

All children are to be accompanied by a parent or guardian and those who will be four years, nine months on or before September 1 for entering kindergarten and those reaching five years and nine months, to start the first grade by the first of September must have their birth certificates at the clinic.

Similar clinics will be held at Tahoe Lake School at 8:30 a.m. May 20 and at Kings Beach School at 10:45 a.m. the same day. Dr. Jose Nessim and Dr. H. Holmes will be in charge.

STARK IS NAMED TO SCHOOL BOARD

Stan Martin of Tahoe City, who has been a member of the governing board of the Tahoe-Truckee Unified School District since the beginning of the district, has resigned his position as a member of the board because he has accepted the position of superintendent with the Sierra Pacific Power Company at Lovelock, Nevada.

Harold Stark of Tahoe City was recommended for appointment by the board to complete Martin's unexpired term. Stark is an official of the Truckee-Tahoe Lumber Company and is widely known throughout the district.

DR. AFFELDT GETS AIR FORCE ORDERS

Dr. Robert W. Affeldt, Truckee's only dentist, has been ordered to report to the Vance Air Force station at Enid, Oklahoma, by June 23 for assignment to the 3575th Medical Group ATRC.

He recently took the required examinations and was accepted into the service as a first lieutenant.

The local dentist has been here two years and has established a thriving practice. He is giving up a modern, fully equipped office to enter the service.

Jim Sherritt to Speak At Wyethia Meeting

James Sherritt of Donner Summit will be the guest speaker before members of the Wyethia Club on Friday evening, May 16. Mrs. David Rose will preside at the meeting, to convene at 8 p.m. Refreshments will be served later.

Sun Beams

by Walter M. Barrett

It is sincerely hoped that some concrete benefits will come from the meeting of local representatives with officials from the Senate Interim Committee on Fish and Game at the high school next Wednesday evening. The committee carries considerable weight in directing future plans for improving local conditions and the opportunity they are giving this district to present a definite program should be fully appreciated. The chamber of commerce, Truckee Outdoor Sportsmen and others have worked out a plan which will be offered to the lawmakers Wednesday for their consideration and there seems little question but that these proposals will be given complete study. Only through coordinated efforts can we hope to bring back to normal a depreciating fish and game population, and for that reason a good representation should attend the meeting next Wednesday. Unless we are willing to shoulder our own responsibilities we certainly cannot hope for others to do it for us.

The long string of billboards throughout the scenic mountain region along Highway 40 asking that observers write to their congressmen to make the route four lanes, are apparently accomplishing only one object and that is detracting from the natural beauty of the route. In his talk here this week, Congressman Clair Engle again pointed out that the problem was one for state action and that congress can act only after the state decides the issue and provides matching funds. Well, maybe the signs provide work for painters and that's something.

SALARY BOOSTS VOTED FOR ALL SCHOOL STAFFS

The salaries of all certificated and non-certificated personnel of the Tahoe-Truckee Unified School District were raised by the board at the regular meeting Tuesday.

The salary committee of the certificated personnel of the schools of the Tahoe-Truckee Unified School district presented a request for a salary increase to the governing board at this meeting. The request was for a raise of \$360 (three salary increment steps).

The board, after consideration of all factors, including cost of living, the rate of cost of living compared to that of one year ago when the salary schedule became effective, the tax load on the taxpayers in the district, and the proposed budget for operation and maintenance of the schools for the 1952-53 school year, decided to raise all salaries \$240 (two salary increment steps).

This makes the salary for beginning teachers \$3740 instead of \$3500 as it was on the original salary schedule. This amounts to an increase of between six and seven per cent on the majority of the salaries.

The salaries of non-certificated personnel was raised on an average of six to seven per cent also.

HIT AND RUNNER IS FOUND GUILTY

Clarence H. Hagstrom, 49, of Reno was found guilty of hit and run driving by a jury in the Nevada County superior court before Judge James Snell this week.

Hagstrom was arrested here after his car struck one driven by Milton Burgett, injuring the latter, east of Truckee. Hagstrom was arrested by Patrolman Martin Sturcke, who was a witness at the trial. Dr. L. D. Nelson, who treated Burgett, also was a witness.

Oscar Schumacher and Mrs. Frank Giovannoni, both of Truckee, were members of the jury.

Reunion—

Mr. and Mrs. Lloyd Everett attended a family reunion and picnic at Nevada City last weekend.

Kenneth Hedlund has arrived from Hayward and his family will join him when he finds a house here.

Truckee To Play First Home Game Against Roseville

Fireballs Fatten Averages Off Coverted Local Infielders

The hard-luck Mountaineers, who last Sunday lost to Colfax 30 to 2 in the Placer-Nevada League, next Sunday will play their first home game against Roseville.

The diamond has been repaired after a rough winter and the hot dog, soda pop and beer stand will be operating for the benefit of the fans.

The Truckee club has yet to win a game this season but hope to make it up to the town folks in Sunday's contest.

Manager John Rau used four infield men for pitchers Sunday but the Colfax team found them for 22 hits, while Truckee scored only seven hits. Third sacker Jackson hit three for four for the mountain men. Eight errors and 12 walks were also costly to Truckee.

Munson is scheduled to start on the mound Sunday in the Roseville game. He has a good record of wins while playing for a Reno team last year and is expected to sparkplug the locals. Mike Korich will form the other end of the battery and Eddie Ulsheimer, who was absent from shortstop last Sunday, will be back on the job. Rau said he also had assurance that Frank Giovannoni and Karl Kielhofer, two of last year's stars, will be out for this game.

The score: R H E
Truckee 2 7 8
Colfax 30 22 2
Batteries: Roath, Davidson, Munson, Korich and Korich, Frates; Martin, Penrose and Stinson, Brevo.

(Note: Korich, the starting catcher, pitched the final two innings.)

20-30 Club Ladies Night At Gieger Park in Reno

Gieger Park on the road between Reno and Virginia City was the scene Saturday night of the Truckee 20-30 Club's ladies night program. Loren Ferdinand, president of the club, was chairman of the committee in charge.

William Frey has been chosen as delegate from the local club to attend the Nevada District convention to be held at Winnemucca May 17 and 18.

SCHOOL ELECTION SLATED ON FRIDAY

Tomorrow will be election day. Despite the fact that little notice has been given the Tahoe-Truckee Unified School District voters will go to the polls tomorrow between the hours of 2 and 7 p.m. to elect one member of the governing board.

The only candidate is Walter A. Loynd, president of the board and a hold over from the old Truckee high school district board of trustees. Loynd has been an ardent supporter of the district since it was first proposed and has worked diligently on the board since the organization.

Truckee Young Men Featured at Recital

Two Truckee boys, Charles Cozzi and Robert Tonini, were among the featured artists in the third annual recital of Nello Gonfiantini's accordion students at Reno last Saturday. More than 250 attended the program.

Both Cozzi, son of Mr. and Mrs. G. Cozzi, and Tonini, son of Mr. and Mrs. Elden Tonini, were heard in the advanced band numbers and each played a solo.

Visit Quams—

Mr. and Mrs. John Longden of Oroville have returned home after visiting Mr. and Mrs. Oscar Quam. The two women are sisters.

To Sacramento—

Business visitors in Sacramento yesterday were Mr. and Mrs. Doug Barrett, Mrs. John M. Rablin and W. W. Porter.

Anniversary—

Mr. and Mrs. H. T. Langille observed their wedding anniversary this week.

School Musical Group Wins In District Contest

The Tahoe-Truckee High School mixed chorus was awarded a first division rating at the Sierra Foothills Music Festival in Roseville last Saturday. The group, under the direction of Ernest Douglas, performed two numbers, "How Shall I Fitly Meet Thee" by Bach and "How Lovely is Thy Dwelling Place" by Brahms. Mrs. Robert Briggs, principal of Tahoe Lake School, was the piano accompanist for the latter number.

The adjudicator, Paschal Monk of Sacramento State College, while pointing out a number of ways in which the performances could be improved, praised the overall quality of the Tahoe-Truckee choral group and the selection of songs.

Members of the chorus who participated in the festival were Toni Street, Margie Osburn, Jo-lynn Ashton, Carol Wilson, Lorraine Wallis, Janice Buehler, Roberta Peden, Scott Gilmore, Margaret Speeter, Evelyn Stinchfield and Adonna Goodpasture, sopranos; Diana Abbott, Audrey Goodpasture, Collette Morhain, Dorene Quam, Ellamae Mercer, Sharon Grow, Lois Preston and Alberta Cooper, altos; Russell Harried, Tom Grow and Leigh Rozzar, tenors; Jerry Quam, Jeep Reid, Dael Rich and Dale Fuson, basses.

Other schools participating in the festival were Placer Union High School, Roseville Union High School, Marysville High School, Yuba City High School, Nevada City High School, Grass Valley High School, San Juan High School and El Camino High School.

RED CROSS QUOTA HERE IS OVER TOP BY MORE THAN \$191

A final total of \$791.18 has been sent to the Nevada County chapter of the Red Cross by Mrs. Posten Wilson, \$191.18 over the quota earlier set for the Truckee, Donner Summit area where the fund was collected.

Mrs. Wilson is renewing her request for used automobile chains to aid motorists passing through in inclement weather. Those wishing to contribute may leave them in the local justice court office.

Lowell Thomas, world famous traveler, author and radio broadcaster was awarded recognition of merit for loyal service in the 1952 Red Cross fund campaign by the local chapter for showing his films during his recent visit here. The free will offering helped to swell the fund.

Local groups and individuals who will also share the honor for their work include The Eagles Auxiliary, Chamber of Commerce, Misses Thelma Finger, Eleanor Dominguez, Mesdames Ray Roberts, Hall, H. Pabst, R. Edwards, H. Weinand, A. Pfander, J. Savage, N. Highfill, O. Frederick, C. Painter, A. Couillard, R. Hesse, J. Wilson.

FIREMEN TO HOLD SPECIAL MEETING

Chief N. F. Dolley has called a special meeting of the Truckee Volunteer Fire Department for Friday night at 7:30 in the fire station. Only item on the agenda will be discussion of the purchase of an emergency and disaster vehicle for use in this region.

A vehicle being offered for the purpose will be here Saturday for inspection.

Visits Son—

Mrs. Bernice Randolph of Berkeley and Mrs. Walter James of Oakland were guests of the former's son, William Porter, Monday and Tuesday.

From Sonoma—

Mrs. Fred G. Thomsen called from Tahoe City yesterday to say the family has returned from Sonoma for the summer.

Capital Visitors—

Mr. and Mrs. Daven Morey and children were Sacramento visitors on the weekend.

Visits Family—

Carole Grackl is visiting her uncle and aunt, Mr. and Mrs. Louis Cavallo, at Reno.

Deckwa in Colfax—

Les Deckwa was a Colfax visitor last week.

Committee Has Proposals Ready For Fish, Game

Senate Committee Is Due To Visit In District Wednesday

A committee representing the chamber of commerce, Truckee Outdoor Sportsmen and 20-30 Club met at the office of the Sierra Sun Saturday to draft plans for improvement of fishing and hunting in this area to be presented to the state senate interim committee on fish and game and the California fish and game commission. Patrol Captain William LaMarr, Warden Tom Borneman and Forest Ranger E. E. Boehm assisted the committee in its findings.

The interim committee, headed by Senator Howard Williams of Tulare, will hold a public meeting at the high school next Wednesday evening and enlargement on the proposals are expected to be discussed at that time.

The local committee, appointed by Reginald Smart of the chamber of commerce at Thursday night's meeting held at Brown's Cafe, proposes to carry on in detail the projects recently presented to the sportsmen's meeting at Grass Valley.

These points include: Rearing and planting catchable rainbow trout in the Truckee River with establishment of rearing ponds in the immediate vicinity.

Assignment of a permanent biologist in this area to study and improve stream and lake conditions. It was pointed out in the proposal that occasional visits by biologists apparently have failed to present a clear picture of the situation.

It was suggested that more beaver plants be made on the various local streams, the location to be determined by state fish and game officials. This action, the committee believes, will result in virtually costless check dams and increase in the fish population.

The elimination of rough fish in both Donner and Boca lakes, with planting of trout to be determined by a biologist, was also recommended. Emphasis was placed on the need for a constant water supply in the lake.

Other fishing proposals to be studied for a five-year improvement program include the elimination of the Gray Creek Dam, raising the level of Bucks Lake, Bear Lake, Summit, West and Five Lakes.

In reference to hunting, the committee asked that a study be made of winter feeding grounds which will support the inter-state herd of deer. It was the consensus of opinion that it will be impossible to maintain the herd for many more years due to range deterioration.

It was felt that stock and deer grazing are compatible provided there is proper regulation.

Senator Harold Johnson of Roseville, a member of the interim committee, is assisting in plans for the gathering here next Wednesday when groups from over the area will be represented. E. V. O'Rourke, chairman of the Lions Club committee on dinner arrangements, said between 200 and 300 are expected at the dinner which will be followed by the open forum to be presided over by Senator Williams.

Committee Itinerary

State Senator Harold Johnson of Roseville, member of the interim fish and game committee, has announced the itinerary for the field trip to be made by his committee next week.

Locally the program is as follows:

Wednesday, May 21: Breakfast at 7 a.m. at Donner Summit Lodge, leaving at 8 a.m. sharp; brief stop at Donner Lake where Truckee Sportsmen's group will join the official group.

Proceed to Tahoe City embarking for short boat trip on Lake Tahoe, returning to Tahoe Inn for lunch at 1 p.m.

Leave Tahoe Inn at 2 p.m., stopping at the state fish hatchery, then on to Kings Beach where, if the road is open, will continue through shortcut to Truckee and across Martis Creek to review beaver plant that is doing a very effective job on conservation on the upper reaches of Martis Creek. Thence, back to Truckee for short trip down the Truckee River Canyon, past Boca Reservoir where, if possible, time will be taken to inspect a winter deer range at Verdi on the Dog Valley Grade.

Back to Truckee for dinner and meeting at the high school. Lodging at the Gateway Motel for the night. Following breakfast at Goodfellow's Coffee Shop Thursday, the visitors will leave at 8 o'clock for an inspection tour of Sierra Valley.

ADVERTISE

Summit Scene

by FRAN COUILLARD

As we pound away this bright Monday morning, we still feel a trifle sated from the super dinner served to ladies of Rotary on Mothers' Day at Donner Summit Lodge. Incidentally, we were accompanied by our Rotarian hus-

bands. The sizzling steaks overlapping our good sized platters were thrown on the grill by Bill Rutherford. The satisfactorily short program gave us time to renew acquaintances, Alvah Hooper, Rex Reid, Willie Curran, Mrs. A. A. Carmichael, all accompanied by the Swiss musicians who are part and parcel of the lodge, were impromptu entertainers with song and story. Guests were Jack Wolert just returned from Mexico, Mr.

and Mrs. N. F. Dolley and Mr. and Mrs. Reg Smart. Shining and tanned were Ernie and Irene Lepire just returned from Palm Springs.

Which reminds us that Charles (Chuck) Reynolds, Bill's assistant, journeys to San Francisco next week for an alumni luncheon. Chuck is a member of the Northern California Hotel Association and a graduate of the Hotel and Restaurant School of the City College of San Francisco. Chuck takes refreshers in this branch of the culinary art every so often.

The California State Employees Association members looked well fed and happy after their smorgasbord held at DSL, too, last Saturday evening.

Taking advantage of this "slow season" are Jack and Pat Woodard of the Ski Ranch who journeyed to Los Angeles this past week to enjoy some deep sea fishing, along with a business mission.

Art Couillard and Jim Sherritt rambled over to historic Jackson, Amador County, this past Saturday to help the Jacksonians initiate a new Rotary Club.

Barbara and Bud Zorich close their ski shop, Bud takes off his ski instructor's pin for the season and both relax in the sun at the Burke Ranch in Plymouth for a few weeks.

We hear, with regret, that little Pat Leadno, Elmo (Beacon Hill) Moriano's niece has just undergone an appendicitis operation. Little Pat is coming along nicely. This is especially for Pat's school friends in the area for last season Pat was a student at the Donner Trail School.

Bill, Bea Mallory and kids take off for the Feather River country for a little bass fishing.

Doris and Brant Chaplin leave their Soda Springs Hotel to the managing of Barbara Bigelow and take off down country for a few days off. Tony and Eve Donadio spent an enjoyable couple of days in the valley, attending Hack Applequist's testimonial dinner. Maria and Jack Patten head for Carmel to help celebrate Mari's mother's birthday. They expect to be gone for a couple of weeks.

The first postmasters' dinner of the season (for our Lake Tahoe Truckee and Summit area PM's) was held in Truckee with Elizabeth Bavier, Truckee postmaster, hostess for the evening. Journeying from this section for the dinner at Brown's Cafe in Truckee were Herb and Lena Frederick of Norden and Art Couillard and yours truly of Soda Springs. Next meeting at Zephyr Cove.

We've always wondered just

KINGS BEACH SCHOOL NEWS

Kindergarten and 1st Grade.— We have two more girls in our class. One is Debbie Lucas and is in the kindergarten. The other is Jean Kravchonok and she is in the first grade.

Our class again won the thrift pennant for putting the most money in the bank.

Monday, a new boy, Tommy Lucas, enrolled in the 2nd grade. Tommy's father is a carpenter. The family came from Napa.

Mrs. Jack Lucas visited our classroom Monday afternoon.

Tuesday, May 6th, Donna Ork-fritz was nine years old. She had a birthday party at the home of her parents at Crystal Bay.

Linda Waian made a clay wick-up for our exhibit table. Linda is studying about different Indians during her social studies.

Bobby Hobbs cut out an Indian chief from a construction paper. We hung it on our wall because he did such a good job.

We are going to visit the Nevada Indian agency at Stewart, Friday, May 16th. It will be educational to see real Indians at work and play. A guide will show us around the campus.

We made Mothers' Day cards for our mothers Friday during art period.

4th, 5th and 6th Grades— PTA is Thursday, May 15th at 8 p.m. All parents are urged to attend and meet Mr. Henry Sams, principal of the school next year. There will be a surprise, too!

The 4th, 5th and 6th grades are hard at work finishing up their activities on Canada and Alaska.

For our special science activity we are cutting out of colored paper the planets measured to scale. We will put them on the ceiling.

how many people have obeyed the injunction on the expensive roadside signs, "Make This a Four-Lane Highway — Write Your Congressman Today!" Had the opportunity to ask Representative Clair Engle about this Monday night. He says that he received a great many resolutions from organizations but that actually he can count the letters from individuals on his fingers.

TAHOE LAKE SCHOOL NEWS

We're all unhappy about Craig Pingree's latest accident. Craig is a 6th grader and he broke his leg while broad jumping down at the Tahoe City Commons on May 1st. At present the leg is in a cast and will remain there for about two weeks more.

The school welcomes several new students: Donald and Carolyn Henry from Orangevale, (Donald is in the 5th grade and Carolyn in the 3rd); Mike and Chips Marvin from San Lorenzo, (Mike is in the 1st grade and Chips is in the kindergarten.)

The kindergarten and the 1st grade are building a barn in conjunction with their social studies unit on The Farm. Mrs. Chiapetta second and third grades are finishing their unit on Indians and are going to use what they've learned by putting on an assembly for the school.

The 4th, 5th and 6th grades have finished a unit on South America and are now studying the map of the United States and are learning the states, rivers, etc.

Many Nice Fish Limits At Tahoe Boat Pier

TAHOE CITY— William Cole of Sacramento brought in the largest fish of the day Sunday at Tahoe Boat Company, an 8-pound German brown, taken off Tahoe City waters. Fourteen boats out of 18 out that day brought back fish. The James Edward family of Susanville, a party of four, brought back limits all. Steve Craig of Tahoe came in with two medium sized macks and Nat Quilici and Bob Seibold of Truckee both brought back limits Sunday.

A. M. Henrys Host Dinner On Mother's Day

TAHOE CITY— Guests for Mothers' Day dinner at the home of Mr. and Mrs. A. M. Henry of Tahoe City Sunday included Mrs. Henry's mother, Mrs. Mary Platt, and Fred Platt of Verdi;

DINING DANCING ORCHESTRA

NORTH TAHOE

by THELMA BURROUGHS

The All Candidates meeting held at Carpenters Hall, Kings Beach, Thursday night, May 8, was well attended, giving each candidate an opportunity of expressing his views.

Wagon Wheel at Stateline, Nevada, owned and operated by Llewellyn and Harvey Gross, was the setting provided for the first annual Trout Day Ball sponsored by the Lake Tahoe Chamber of Commerce for the purpose of fund

raising to provide better publicity for the entire lake area. Those who attended offer thanks to Harvey Gross for his personal interest and contribution to the success of this event.

Mr. and Mrs. George Lawson, currently of Hawthorne, were up last weekend looking over their property on Steelhead at Kings Beach and will return for the summer.

Tom and Hazel James have returned to their James' Lake Shore cottages at Tahoe Vista.

Miss Carol Raymond of Auburn assumed duties as secretary of the Lake Tahoe Chamber of Commerce as of May 15.

Mr. and Mrs. George Kelley and

son, Jackie, were up last weekend enjoying a preview of summer and looking over their cottages at Kings Beach.

Mr. and Mrs. Douglas Free, with their son, Larry, are back for the season and getting things in order at The Dunes.

Everette and Virginia Mason, with their two small sons, Pete and Dink, enjoyed last weekend at their Silver Sands Resort.

Pearle and Paul Koltes are putting their Pine Pantry in condition for a big summer season.

Mrs. Helen B. Anderson's property in Kings Beach is the scene of feverish activity these days with workers pulling out trees to make room for eight rental units next to the Beachcombers.

Bob Critchley's parents are changing the looks of Sandy Beach too, since their return for the fourth summer of employment with George Phillips.

Welcome home, Dick Lavery. Your friends are all glad to see you up and about, even though patched up a bit. Tough way to get a new car, Richard.

Two North Tahoeites are hospitalized at Carson-Tahoe Hospital following surgery last Monday.

GOOD FISHING HOLDS IN LAKE TAHOE, NICE ONES TAKEN

TAHOE CITY—Fishing continues good at Lake Tahoe. Largest catches reported at North Tahoe Marina last week were an eight pound German brown, taken by Ray Sorensen of Tahoe Vista and a two and a three pound mackinaw brought in by Mr. and Mrs. Ted Williams of Reno.

Carl Bechdolt Jr. and Walter Loynd both had good luck last Friday with good catches. Down at Tahoe Boat Company between 60 and 70 nice catches of trout were brought in on Sunday alone. Charlie Swanson and Steve Craig on Monday brought in a four and a three pound mackinaw, respectively.

Down at the Sunnyside Boat Company, young Howard Miller went fishing on a one-man life raft and brought in an 8-pound landlocked salmon from the waters about half a mile from shore. He used a spinner. Dr. John Palmer of Auburn last Saturday caught two lovely rainbow and a six pound mackinaw.

At the Sunnyside Boat Company pier, the 24 foot Bear sailing boat of the Earl Schnetz family of Sacramento again rides the blue. She was sunk in the harbor during the winter due to a slow leak in the propeller shaft and the heavy weight of snow. She is being conditioned for summer use. Also being painted up for summer is the Polaris, 24 foot Bear sailing craft of the Kjell Rustads of Tahoe City. She will boast a china red bottom this season, with white top trim.

P. M. Burroughs preceded Jean Little into the little room where Dr. Jose Nessim did the work. Burroughs was doing fine Monday night. I am unable at this writing to get a report on Mrs. Little. Her friends are wishing her a speedy recovery.

Mr. and Mrs. Robert Arney of Kings Beach welcomed into their family circle brand new 7 pounds 14 ounce, quite feminine Rojene, Wednesday evening, May 7, at 7:55. Rojene came home from Carson-Tahoe Hospital with her parents Monday to take up family life with her two sisters, Sheryn, 7, and Kathleen, 5. Mrs. Arney's mother, Mrs. Blanche Foy, was also on the welcoming committee for little Rojene.

The Ed Starrs of Vallejo recently sold their Tahoe Vista house to Mr. and Mrs. Lee Madden, who are making their home here.

Mr. and Mrs. Fred Rockholm have returned to Kings Beach from Cathedral City, where they spent several weeks.

The A. J. Ketmans are at Carnelian Bay for the summer, arriving Monday from winter quarters in Menlo Park.

Tavern Plans Re-Opening Around Middle of June

TAHOE CITY—Mr. and Mrs. Joe Regenberg of Tahoe Tavern have returned from a ten day vacation trip which took them visiting to the C. O. Wheat family at Las Vegas, the Charles Kutchulis family in Santa Barbara and breakfast with the Glenn Greenes and Dr. and Mrs. Burns Eastman at Pasadena.

They have received word from Fred Ichelson, Tahoe Tavern manager, that the resort will open for the summer with conventions on June 14 this year. Mrs. Regenberg will again have charge of landscaping the resort's grounds and floral decorations in the tavern this summer.

Honeymooning Couples In Sunnyside Area

TAHOE CITY—Honeymooners at Tahoe's west short resort, Town and Country at Sunnyside, are Mr. and Mrs. Davey F. McCarthy. They were married recently in Chicago, the bride's home town and will reside at Los Gatos where the groom is employed. Other honeymooners at T&C are Mr. and Mrs. Harry G. Foes of Pasadena. Both couples are visiting Tahoe for the first time and loving it. Other guests include Mr. and Mrs. Carl J. Larson of Berkeley who took home two four-pound mackinaw following a fishing trip on the lake.

Once Mighty Snow Pack Reduced to Patches

TAHOE CITY—All that is left of the mightiest winter on record in Tahoe City is an occasional patch of snow here or there, although considerable more remains at higher elevations nearby.

The Truckee River appears to be gaining with all 17 gates from the lake still open. The level Monday morning, according to Art Frodenberg, was 6227.29 feet. Rain and snow last week added .26 of an inch precipitation to the season's total. High and low daily temperatures for the week to Monday were:

May 5th: 54, 26; 6th: 52, 27; 7th: 42, 32; 8th: 46, 25; 9th: 55, 27; 10th: 61, 29; 11th: 61, 32; 12th: low 32.

OIL WELLS

Three of the five deepest producing oil wells in the United States are in the Wasco field in California.

LAKE WOMEN'S CLUB WILL INSTALL

TAHOE CITY—Members of the Women's Club of Tahoe meet at Tahoe community hall Thursday afternoon, May 15. Newly elected officers will take over their new posts. President is Mrs. Blanche Donaldson, who was re-elected; Mrs. Pearl Snyder, vice president; Mrs. Gladys Anderson, treasurer; Mrs. Louise Geler, secretary. The board of directors include Mrs. Howard Guth, Mrs. Rea Ferris and Mrs. Dorothy O'Rourke.

Mrs. Jeannette Mitchell, program chairman, will arrange the spring luncheon for the group as soon as facilities are available.

"Am I
supposed to be
glad you're big?"

Many people write us such comments as this: "I've heard people talk against big companies like you. Lately I've been reading your statements about bigness. Am I supposed to be glad you're big?"

The answer to this question depends on your answer to certain others. Some people have come to feel that bigness itself may be bad. Consider the good that comes from this same bigness.

Do you like a bargain? You're getting one in gasoline. Except for taxes, gasoline today costs just about what it did in 1925. (And it's better gas; 2 gallons now do work that then took 3.) Why? Largely because of competition among big oil companies.

Do you like new and better things? Standard has spent over \$35,000,000 on research and technical service in the last 5 years, developing new or improved products, and new raw materials for other companies. Yet only when allowed to grow big, by serving you better, can we take on the work and risk involved.

Are you glad you have the conveniences of this "machine age"? They depend heavily on oil. You're assured an ample supply of oil by the enterprise of big companies like Standard. We seek out new crude reserves, in this country and abroad, with exploration that may cost millions before the first gallon is found.

Obviously, there are countless ways to express the benefits you gain by our bigness . . . countless questions we could ask, to which you'd probably answer "yes" just as readily. And if you like the things that bigness brings, then you can be glad we're big.

STANDARD OIL COMPANY OF CALIFORNIA
• plans ahead to serve you better

FOREST RECREATION USE HIT NEW HIGH MARK DURING 1951

Department of agriculture figures show that recreation use of the national forests was at an all time high in 1951. The total of 29,950,000 visits represents an increase of nine per cent over the

previous year and 66 per cent over 1941, the highest pre-war year. Total man days use is estimated at nearly 44,000,000.

According to Supervisor Guerdon Ellis, visits for recreation purposes on the Tahoe National Forest totaled over 117,000 in 1951 and averaged about two and one-half days each. This represents an increase in visits over

preceding years of approximately 17 per cent. Ellis states that the most noticeable increase was in use of camps owned by youth organizations but that there were also marked increases in use of public campgrounds and summer residences. Camping use of undeveloped areas, primarily by hunters, was also considerably higher than in 1950.

KINGS BEACH AND TRUCKEE SCOUTS WIN TOP AWARDS

Four hundred and forty-five Scouts and leaders from 25 different troops located throughout the Tahoe Area Council participated in the annual camporee held Saturday and Sunday, May 3 and 4, at the Al Fleming ranch near Lincoln. The troops were from communities of Placer, Nevada and Sierra Counties, including the Lake Tahoe section and Truckee and Downieville in the northern end of the council and Roseville on the southern portion.

The Boy Scouts functioned on the patrol basis within their troops and 66 patrols were represented. They checked in at the camporee site at 1 p.m. Saturday, set up their camps, cooked their meals and participated in a general compass use contest during the day.

A large campfire program was held in the evening under the direction of Scout Executive Ray Ewan and Field Executive Del Raby, assisted by Don Knowlton, Howard Lee, Phil Leak and Gerald Smith. Songs, yells, skits by patrols and individual stunts comprised the program.

Church services were held at the camp for Scouts of Protestant faith Sunday morning by Rev. Bernard Rice of Lincoln, assisted by the Rev. I. H. Jackson of Forsyth, Ga. Scouts of Catholic faith attended Mass in Lincoln. Scouts belonging to the Latter Day Saints church held services under the direction of Bishop Ralph Greenwell of Grass Valley.

Charles Everheart of the Tahoe National Forest supervised a group of federal and state forest service members who assisted Scoutmasters in rating their troops with regard to outdoor proficiency, organization and observance of the Scout ideals during the entire period of the camporee.

Truckee Troop 7, Clarence Osburn, scoutmaster, and Kings Beach Troop 31, Bill Randall, scoutmaster, each received the President's Award and the Honor Troop Award. The closing ceremony was conducted at 2 p.m. on Sunday.

Index Orders Resort Price Reduced by \$6,000

REBURN—Judge Lowell L. Sparks of the Placer County superior court, at the termination of a suit, reduced the purchase price of a Lake Tahoe resort from an original \$19,000 by \$6,000.

Anderson's Resort, on the Placer County side of the lake, was sold to Mr. and Mrs. Jesse K. Rouge, who testified in court that the receding summer lake level was not fully revealed to the buyers by Mr. and Mrs. Felix A. Anderson.

NORTH TAHOE P.U.D. SEEKS BIDS FOR SANITATION WORK

KINGS BEACH—Extensive improvement and expansion plans are in the offing for the North Tahoe Public Utility District, according to official announcements of the results of a recent meeting of the board of directors by Clerk H. E. Brooks.

At 3 p.m. May 29, bids will be opened in the offices of the district at Kings Beach for the construction of "trunk and collection sewer mains, standard manholes, house laterals, special meter manhole, risers, lampholes and riser frames and covers and appurtenances."

Details of the bidding procedure may be obtained from Brooks while details and specifications of plans may be obtained from L. Cedric Macabee, District Engineer, 156 University Avenue, Palo Alto, upon a \$15 deposit, a portion of which is conditionally refundable.

Then, on Friday, June 6, at 8 o'clock, the board will meet at Carpenters Hall, Kings Beach, to hear the pros and cons of a proposed \$103,186.08 series of projects and expanding acquisitions. This work, according to the official announcements, would be quite extensive and it is proposed to defray necessary balances through a six per cent series bond issue.

Further details are available from the clerk of the district.

Methodist Summer Camps

LAKE FOREST—The California-Nevada Methodist conference has released its annual schedule of summer camps and conferences to be held at the conference grounds at Lake Forest.

A Christian Adventure camp for intermediates will be held July 26 through August 2, and another from August 2 through August 9. High school institutes will be held at Lake Forest August 9-16 and August 23-30. This will be followed by the Young Adult Weekend August 30 through September 1.

Slated for the Tahoe 4-H grounds are the Western Regional Student Training Conference September 1-6 and Older Youth (18-23) Weekend August 30 through September 1.

Public Lands
There are about 500 million acres of public lands in 26 states and the territory of Alaska.

New Tree Farms
California dedicated ten new tree farms, containing 487,867 acres in 1951.

SIERRA TRUCK & MOTOR CO., GRASS VALLEY, CALIF. DEALER
PHONE TRUCKEE 128 HARRY BARNES
GATEWAY GARAGE TRUCKEE-TAHOE AREA REPRESENTATIVE

When you pay your telephone bill, about 28 cents of each dollar goes for taxes.

How much tax in your telephone bill?

When you pay your telephone bill each month, an important part of your money is passed on in taxes to the Federal Government and to state, county and city governments. Naturally, we expect to contribute our fair share of the cost of government... but because taxes now account for such a large portion of the cost of service, we feel we should report about them to you who, as telephone customers, have to pay them.

Your telephone is taxed in two ways: One, through the operating taxes we pay to run the business—income taxes, property taxes and the like. In 1951 these came to \$81 million for Pacific Telephone, an all-time high. Two, by Federal excise levies you pay on local and long distance service. Last year we collected more than \$70 million in excise taxes from our customers and turned it over to the Bureau of Internal Revenue.

To give you some idea of the size of our tax bill, it is estimated that the total excise and operating taxes we paid in 1951... \$152 million... could have supported all the 131 schools of higher education in California. In terms of the average telephone, this is \$35 per telephone per year... \$2.92 per month. Twenty years ago the average was 53 cents a month.

Your telephone is one of
today's best bargains

In spite of sharp increases in taxes, wages, materials and other costs of providing service, we've been able to hold down the prices you pay for service... hold them so low, in fact, that the telephone today is one of the best buys in any budget.

ROWE IS UNHAPPY WITH SET-UP OF COUNTY DISTRICTS

NEVADA CITY—Redistricting of Nevada County was demanded by Supervisor Frank Rowe of Grass Valley at the May meeting of the board of supervisors. He said he would demand that the issue be placed on the November ballot.

His statement followed a controversy over a proposed \$83,700 federal aid secondary road project on Tyler Road. The project lies in Supervisor Guy N. Robinson's district but an extension of the project in future years would reach into Supervisor J. C. Coughlan's district. The road serves two large lumber mills in the latter district. Chairman H. G. Loehr of Truckee told the board the project could be financed with \$39,157.40 of federal aid, \$26,000 of state chapter money, \$2,353 from other state funds and \$16,189.60 of county funds. He said that the cost had been determined by Contractor Ted Schwartz, engaged for the purpose by Road Commissioner J. F. O'Connor.

"I object," Rowe said. "It simply isn't fair to my district to launch a project of this dimension. . . . During all this time the people of my district would be neglected so far as road construction and reconstruction are concerned. We haven't had a fair break, and that is all I ask."

"In my district we have the Idaho-Maryland and Brunswick (mines) roads that need attention every bit as badly and have at least as much traffic as the Tyler road."

"I ask for the county to be redistricted. I'd like to have the voters vote on it in November."

County Clerk R. E. Deebie said, if his memory of the figures did not fail him, Rowe's Grass Valley district held about 54 per cent of the county's population; Tobiasen's Nevada City district, about 33 per cent; Coughlan's Columbia Hill district, about 11 per cent, and the other 11 per cent was about evenly divided between Loehr's and Robinson's districts at the east and west.

Seeking \$150,000 For Accident on Summit

AUBURN—Jane Knight has filed an action for \$150,000 for injuries to her head and back she says she suffered in an accident on March 9 near Donner Summit.

Named as defendants are the Pacific Intermountain Express, Western Auto Transport, Walter L. French, W. J. Martin and L. S. Frank. She charges trucks driven by French and Martin were operated in a negligent manner, resulting in Martin's truck striking the rear of the passenger car in which she was riding.

Johnson Returning—Ed Johnson, who has been living at Lovelock, Nev., expects to return here in the near future.

END OF GROUP

NOBLES MANAGER OF MERCED BANK

The appointment of Yell Nobles, former well-known Truckee resident and manager of Bank of America here before the war, as manager of the Merced branch, Bank of America, was announced this week by L. M. Giannini, president of the state-wide financial institution.

Nobles, the announcement said, is replacing W. H. Lemmon, who is retiring after 45 years of banking.

The new manager has been assistant vice president in the Merced branch for the past four years. He first joined the bank in his home town of Cloverdale. Subsequently he rose to the management of the Truckee branch and later the Placerville branch.

He was assigned to Merced in 1948, where he has steadily advanced both in banking and community service, having served as president of the chamber of commerce and a director of the Trade Club. He is a member of the Rotary Club and American Legion. He served with the field artillery in France during World War II.

Former Resident Visits Truckee After 65 Years

After an absence of 65 years, Mrs. Emma Collins, daughter of Truckee's pioneer butcher shop operator, R. D. Paschen, returned last week to recall many familiar scenes of her childhood. She is now living in Los Angeles.

To refresh her memory of places and people in this region, the visitor had three copies of the Truckee Republican for 1884 and a unique issue of the Gold Note, a three inch by five inch newspaper published January 17, 1880 at Dutch Flat when J. N. Pittman was editor.

Three of Mrs. Collins' sons are engaged in the speedboat and mid-get car building business as well as conducting plumbing businesses in the south. A fourth son, Edward, is in the Navy.

The public is cordially invited to attend

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the office of the Superintendent, Truckee, California, on or before, and no later than Friday, May 16, 1952 at 5:00 P.M. for the purchase of band uniforms. Specifications are on file in the office of the Superintendent of Schools at Truckee, California.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of the suitability and fitness of the products offered.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

SWANEE'S Tahoe Letter

Tahoe City, May 12
Dear Tahoeites:
Balm and beautiful was
Mother's Day at Tahoe. My

Mother's Day was spent most pleasantly with son Jim and his wife, Betty, who also entertained Betty's mom, Mrs. Mitzi Cochran of Berkeley, and her friend, Mrs. Willis Monroe of San Francisco. So marvelous was the weather that we enjoyed breakfast around 10 on the sunny porch and had dinner around 5. Had remem-

brances from my daughters and really enjoyed the day. Hope all other local mothers fared as well. One Tahoe Cedars family suffered an unusual loss through unusual means this past winter. Most folks had the heavy snow to blame for destruction to their homes but in this case it was a large bear who caused the havoc. He gained entrance to the cottage through a top story window while the snow was high and proceeded to help himself to food stored in the attic, even opening cans with his sharp teeth during his several visits to the store room. He tore things up generally and caused no small amount of damage.

Am sorry to report two more Tahoe men are in the Tahoe Forest Hospital in Truckee. Otis Hursey, for many years caretaker for the Henry Kaiser estate in Tahoe Pines suffered a severe heart attack on Saturday last, around 6:45 p.m., and was carried out by seven men to the waiting Tahoe ambulance, which removed him to the hospital. The crew consisted of Jay Shontz, Al Henry Jr., Basil Kehoe, Dan Mawhinney, Ray Matchem, Fosten Record and Fred Planett, a visitor from Verdi. Dr. Monica Briner of Auburn, wife of Ralph Sears of Sunnyside Lodge, accompanied the patient to the hospital, where he is now re-

ported resting well. His wife, who was in Oakland at the time, returned by plane to be with him. The many friends of Otis are praying he will soon recover and are wishing his the best of luck. Second man to be taken to the hospital was Fred Manley, who with his wife, returned last weekend to reopen their Tahoe Park summer home. He and Slim Gordon were going about the business of snow and shutter removal when Fred stepped on some rotten boards which covered the cesspool and in he went. Fortunately, Slim was handy to call for help and Manley escaped with a broken bone in one knee. He drove himself to Tahoe Forest Hospital where he will be a patient for some time. Good luck to him, too, from his Tahoe neighbors.

During a weekend visit to Reno last week I met Willie Arnold's former wife, Catherine, on the street. She told me that Willie would probably leave the hospital around Saturday last and would come to Reno where she would aid in caring for him while he must use crutches for his broken leg. He was improving satisfactorily at last reports.

Two ambitious youngsters, eight year old Randy Scarborough and his six year old brother Kirby, are starting a shoe shining busi-

ness in this area as a means of making some extra spending money. They will call at the homes of prospective customers when notified.

Carol and Douglas Wilson of Lake Forest were among those attending the Roseville Music Festival last Saturday, leaving here around 7 a.m. by school bus and returning home around 10 p.m. They were proud to report their Tahoe-Truckee high school choral group won first prize in competition with more than 15 other county groups.

The Tahoe-Truckee high school evening adult recreation class is proving a popular one, with the following Tahoeites attending regularly: Mrs. Pauline Sheehan, Mrs. Laura Wilson, Mrs. Barbara Spitsen, Mr. and Mrs. Connie Briner, Mr. and Mrs. Al Henry Jr., Ms. Griffith and Mrs. Erma Flohr.

The current carpenters' strike is holding up the work on Tahoe Inn's improvements, now under way. The bar has been torn out and is being enlarged, the guests from here on will gaze out through large glass windows onto the placid blue vista of the lake and the wall between the present cocktail lounge and the former barber shop will be removed entirely in order to enlarge the lounge. Two new public rest rooms are being added, as well as new offices for Manager Bill Becholdt. The location of the new office will be where room No. 3 now is and the barber shop will be moved to the rear of the building. John Parham is engaged at present in refinishing and re-decorating the dining room, lobby and upstairs hall, and new furnishings are replacing old ones in the guest rooms. The only "old fixture" remaining in the cocktail lounge downstairs is liquid dispenser Charlie Spalding. Expected back around May 15 for the summer is Ernest Hoerdler of Covina, barber at Tahoe Inn for the past several summers.

Announced a bit tardily are the winners of the spring hat party held at Tahoe Lake school by members of the Tahoe Lake PTA on April 24. Prettiest award went to Mrs. Edna Gilman whose theme was "Spoonin and Kissing," her hat adorned with candy kisses and plastic spoons artistically arranged. Cleverest award went to Mrs. Dorothy Bury who cut the holes out of some her husband's doughnuts, arranged them around her hat and hung a couple of them like lorgnettes in front of her brim to gaze through. Mrs. Pat Cross and Mrs. Maizie Carnell had to draw for prize for the craziest creation — Pat's hat featuring smoking equipment of all kinds on an upside down basket, with a sign reading "The cigarettes are on me" and Maizie's utilizing all manner of trimmings of sewing materials and ribbons. Cards were enjoyed and refreshments served by Mrs. Gilman, Mrs. Bury taking high score. New officers of the Tahoe Lake PTA recently elected for the coming year are Jean Henry, president; Dorothy Bury, vice president; Rea Ferris, secretary, and Diane Briner, treasurer. Next meeting date is June 5.

Mrs. Jeannette Mitchell, program chairman of the Women's Club of Tahoe, this week announces that the card party scheduled by the club members at Tahoe Community Hall in town on May 23 has been cancelled due to the high school carnival. A date will be set again in the near future.

The spring luncheon to be staged by the Women's Club also will be postponed because Don Huff, owner of Homewood Hotel Resort, where the luncheon was to be held does not plan to reopen for the summer season until around June 15 this year, due to the remaining deep snow. Date for the luncheon will be announced as soon as set. Huff motored up from Woodland Monday to look over his buildings,

which are still surrounded by snow.

Jesse Brown, who has been employed at Las Vegas, is home for several weeks vacation with his family at Lake Forest.

Until next week, adios to one and all. As ever, Swanee.

SNOW REMOVAL SMALL PART OF SUPERVISOR JOB

There are a few people who evidently have the mistaken idea that snow removal and street maintenance constitute the principal work of your supervisor.

As a matter of fact, under terms of the recently enacted Burns-Collier Act, your supervisor has nothing whatever to do with this particular program and has accepted the responsibility of seeing that the work is done only with the permission and cooperation of the Road Commissioner. The Burns-Collier Act provides that the Road Commissioner, and only the road commissioner, has the authority to designate the expenditure of road funds and to supervise, construct and maintain streets and highways in the unincorporated areas of the county.

However, it has never been and will never be my policy to permit the taxpayers and residents of this district to suffer from neglect when it is within my power to correct any adverse condition, and I have made it a point to co-operate with the Road Commissioner and other officials to the extent that we have secured every possible assistance.

One of the more important duties of a supervisor, in my opinion, is obtaining funds to conduct this work. During the past winter there have been times when this

seemed an impossibility. With all available funds exhausted and with a record winter still piling up more snow, blocking roads and isolating communities, it became necessary to locate additional funds or close down the work entirely.

Your supervisor mapped a campaign, secured the assistance of the other members of the board and went to work. It was not an easy job, with legal obstructions threatening every move, but rather than give in and let matters run their course, I continued to demand relief and I am happy to report that this relief was forthcoming.

That was a recent occurrence. Throughout the eight years I have served as your supervisor there have been numerous times when the ability to get things done was vital. I think you must agree that much progress has been made through my incumbency. I have tried not to confine my work entirely to the things required of a supervisor but have, when possible, worked with local groups and organizations for community projects, presenting their cases before the balance of the board and other officials, and I am glad to report that in many instances this official help has brought results which might otherwise not have been obtained.

I sincerely want to continue to serve this district on the Board of Supervisors. In the work I have started I see a bright future for the district. It will be my continuing

CONN - PERONE MASS HELD SATURDAY AT TAHOE CHAPEL

TAHOE CITY—Patches of deep snow still linger about the Catholic Corpus Christi Chapel in the pines near Tahoe Tavern, where on Saturday at 10 a.m. Mary Lou Conn, formerly of Bothell, Wash., and more recently of Donner Summit, exchanged marriage vows at Nuptial Mass with Lee Perone Jr. of Oakland and formerly of the Summit. Father Ronan Brennan was assisted by Father Patrick O'Neill, both of the Truckee Catholic parish.

The little church was filled to overflowing with relatives and guests, and the altars were beautifully decorated with white and pink carnations. Mrs. Anna Kehm of Truckee was organist.

The lovely bride wore a white lace bouffant gown with long white veil and orange blossoms in her hair. She carried the traditional white bridal bouquet with satin streamers and a white prayer book. Her bridesmaid, Miss Prudence Crosby of Soda Springs, wore a pink lace gown and carried a bouquet of pink and white carnations. Howard Bradley of San Francisco was best man and the bride's brother, Robert Conn of Washington, who was accompanied to Tahoe by his wife, gave the bride away. Ring bearers were Billie and Basil Kehoe Jr., small sons of the Tahoe City Kehoes. Ushers were Henry Piche and D. B. Smith, both of the Summit area.

Others attending from Donner Summit were the Ernest Nordstrom family; Day Tschopp and daughters, Delia and Madyon; Paul Isola and Bob Mori from Chantarella, Liz Pierson from Kiski, the James Horak family from Donner Summit Lodge, Jack Lambres, Ralph DeMonte, Jimmy Waker of Soda Springs Hotel — all these and more journeyed Lake Tahoe-ward for the event.

Following the ceremony, reception the justweds slipped away in a gaily decorated car which bore the traditional old shoes, tin a honeymoon destination. They'll cans and appropriate messages, to make their home temporarily in Sausalito, the groom being engaged as an engineer in that area. Future plans may include residence in England, where the groom expects to soon be called by his firm.

Tahoe Sewer Plant Meet Set For Friday Night

TAHOE CITY—C. W. Vernon, manager of the Tahoe City Public Utility District, announces that a special meeting will be held at the Tahoe community center hall Friday night, May 16, at 7:30 p.m. to discuss a planned new sewage plant for Tahoe City.

Residents and taxpayers of Tahoe City are urged by Vernon to be present and learn details of the plan and means of financing. Civil Engineer E. A. Johnson of Lincoln, who was hired by the district to make the survey and draw the plans, will be on hand to answer questions, as will Paul Chamberlain, Auburn attorney, and his associate, F. L. Sinclair; J. T. Leggett of the water pollution control board; C. Edmunds, Truckee; James Wheat, Placer County sanitarian; a member of the state board of health; Norman Mayfield and E. H. Pomin, other members of the TOPUD, and Clerk Barbara Spitsen.

ued aim to further all worthwhile projects to the best of my ability and I can pledge you now that if reflected I will not confine my activities solely to snow removal and street and road maintenance, but will enlarge upon a program to bring more and better community assets to this area.

HENRY G. LOEHR

ROAD LAW PROPOSAL STILL UNDER STUDY BY PLACER BOARD

TAHOE CITY—Attending the meeting of the Placer County supervisors in Auburn Monday in regard to the proposed new specifications for roads in subdivisions to be put on the market in the future were Bert Anderson, Pine-land; Joe White, Tahoma; Don Huff, Homewood; Howard Guth, A. M. Anderson and Jeannette A. M. Anderson and Jeannette Mitchell, all of the Tahoe City area; Fred Kilner, Homewood; A. J. Ketman, Carnelian Bay and Mrs. Bert Anderson.

Criticism has been voiced by the Lake Tahoe contingent regarding the proposed requirements for new roads in Placer County subdivisions, which would demand a 32 foot clearance with 22 foot road-bed covered with four inches of crushed rock, heavy oil and two inch blacktop. They declare the cost of removing the trees for the required distance alone through the forests would be prohibitive and with other added requirements, they contend, would make the cost of lots unsalable.

The supervisors, after considerable discussion, agreed to study the proposed ordinance with a view to revision and, with a committee of seven disinterested persons, to study these revisions at a meeting to be held in about a month.

At Meeks Bay—

Mrs. Jody Maher and Miss Beatrice Maher arrived at Meeks Bay this week, having spent the winter at Palm Springs.

My Place In the Sun

by DOUG BARRETT

Henry (The Ford) Wittich of Colfax seeing local people, conducting business as usual here last Monday.....on his 35th wedding anniversary.....Word comes up from Auburn that Barbara Cassidy is no longer that.....on April 26 she became Mrs. Robert E. Anderson of Kentfield.....Barbara is the daughter of Mrs. Bert A. Cassidy.....Lots of folks think the recent earthquake that jarred Reno and vicinity wasn't noted hereabouts.....but Nate McCrary and John Bacharach, in the cab of an SP engine, felt it and it really moved them for a moment or two.....of course, a good many of us were still rocking in the arms of morpheus.....Sarge Reynolds basking in the warmth of the new colors on the walls of his wine-and-dinery.....It's happy birthday today to Mrs. Roxie Archie, out Gateway way.....Ernie Siri, Bob Leamon and I, the everlasting bystander, unloaded two lovely plastic covered platform rockers at Leamon's Furniture.....Jimmy Morhain, Dr. Bob Affeldt and John Street turning into Brown's Cafe for the weekly 20-30 meeting last night.....Will and Bill Englehart stopping to carry Commissioner Bat Riordan and the "bystander" out to the Fire Department meeting at Cozzi's Tuesday.....Seeing Marjorie Osburn reminds me that she

will be 17 on the 17th.....and here I wish her a happy day.....Glad to hear Pamela Rose is doing o.k. since her operation this week.....Mrs. Oscar Schumacher blazing a trail down the boulevard selling tickets to the Truckee Elementary PTA smorgasbord dinner on Saturday night.....it's at the school and a ticket is not necessary.....just bring the price of admission, \$1 for adults, 50 cents for youngsters.....Hap and Donna Warnke out at Donner Lake Lodge taking

advantage of the beautiful, warm weather to weed their lawn.....and set out the familiar stage coach in front.....Hon. Clair Engle was so busy Monday campaigning for congress that he failed to mention his other June 3rd candidacy.....he is also running for delegate to the Democratic National convention on the Brown ticket.....once pledged to Harry Truman but, since HST's withdrawal, favorite sonning for Attorney General Edmund G. (Pat) Brown.....

DELAY may increase costs . . .

It's just human failing to put up with appliances that don't work properly. But, they won't repair themselves — they can only get worse. The longer you delay, the bigger the repair bill — or you may have to buy a new appliance. CALL US AT THE FIRST SIGN OF TROUBLE!

25th ANNIVERSARY A Record Never Equalled!

On May 17, 1927, your Utility District was organized by an overwhelming vote of the people within this area for the purpose of serving themselves with Electric Power at reasonable rates.

The basic rate for electricity then being charged by the Private Company was 25 cents per KWH and the lowest rate was 10 cents per KWH.

The Policy of the Directors during the past 25 years has been to consistently reduce rates as conditions permitted and you — its customers and owners — have been saved thousands of dollars in reduced rates during this period.

The record of organizing this District, building a new electric system and expanding and maintaining this system over a period of 25 years without one cent of taxation is a record never before equalled in this state.

The Directors and Management desire to thank you — the District's customers and owners — for your patronage and support in the past and assure you of their continued efforts to improve your service and reduce your rates in the future.

Business Scholars Visit Reno on Field Trip

H. E. Livermore and 19 of his high school business students went to Reno May 7 and visited the First National Bank, Reno Business College and Reno High School. Students making the all-day visit were Alberta Cooper, Adonna Goodpasture, Margie Osburn, Marie Osburn, Ruth Osburn, Hazel Reuck, Jeannie Rood, Hugh Van Hooser, Carol Wilson, Lorraine Wallis, Delores Danley, Stan Martin, Verna May, Irma Nauss, Mary Fisher, Sherry Robinson, Darlene Perry, Lois Preston and Toni Street.

The students saw many of the types of machines used in business offices, a thousand dollar bill and how a large bank operates, and had the opportunity to get better acquainted with our neighbor city high school students.

Co-Hostesses at Cards—Mrs. Jean Mathis and Mrs. Al Wakefield were hostesses for the Monday evening card club in the home of the latter. Following the games, refreshments were served.

TRUCKEE TEACHER WILL GO TO ISRAEL

Miss Gertrude Levine, a teacher in the Truckee Elementary School for the past year, has received an appointment as teacher in Israel. By reason of her success as a teacher in California schools she has been, from among many, selected for this important assignment.

Miss Levine will sail for Europe aboard a Holland-American liner late in June. It will be her privilege to spend some time in the major capitals of the continent before she will journey by air to the Near East.

From Dutch Flat—Mr. and Mrs. George Hager of Dutch Flat were visiting friends here Monday.

Elfs in East—Mr. and Mrs. Royal Elf are expected to return from an eastern vacation next week.

Sanders Here—O. H. Sanders of Sparks, Nev., visited local friends last weekend. Scotts in Susanville—Mr. and Mrs. Ray Scott and daughters were weekend visitors at Susanville.

Mothers' Day Program For Pythian Sisters Meet

Last Thursday night, the Pythian Sisters had a special Mothers' Day program which was planned by Donna Songer, program chairman. Prior to the meet Gladys Pedley's dancing class held the attention of the audience by their talented performances.

Following the meeting which was presided over by MEC Beverly Wilson, orchid corsages were presented to the mother having the oldest and youngest child—Viola Waters and Lea Stewart being the honorees. Prizes awarded for the bride's book were Pearl Heller, first, and Estelle Englehart, second.

Refreshments were served by Mrs. Songer and Mrs. Wilson at a round table, after which Mary Fisher put on a one act skit. A decorated Mothers' Day cake made by Mrs. Songer was taken home by Ella Waters.

Log Cabin Will Hold Four Day Opening

CRYSTAL BAY—"We'll throw away the key and be open around the clock."

With this announcement, Bert Cochran this week is inviting everyone to attend the seasonal grand opening of his Log Cabin at Crystal Bay for four big days—May 22, 23, 24 and 25.

Dining, dancing and entertainment are scheduled with Johnny Caruso, formerly of Colfax, as host.

DRUNK DRIVER IS FINED \$550

When Victor James Beebe, 44, building construction superintendent on a project at Susanville, was denied passage on a plane at Reno because he'd been imbibing too freely, he decided to drive to his home at North Sacramento.

As a result he appeared before Justice of the Peace F. W. Wilson Saturday and paid \$500 on a drunk driving charge and an additional \$50 for not stopping at the quarantine station.

He was arrested by officers of the highway patrol at Gateway Park after a brief but erratic chase.

NEW "BUG" STATION?—SACRAMENTO—(C. N. S.)—The state division of architecture has been authorized to re-advertise for construction of an inspection state for the state department of agriculture at Truckee. The project would cost approximately \$86,000.

Absent Voter Ballots Are Now Available

Absent voters ballots for the June 3 primary election are now being mailed out to voters by County Clerk R. E. Deebie. Any qualified voter who expects to be absent from his election precinct or has reason to believe he will be physically unable to vote in his precinct may apply for an absentee ballot from the county clerk at Nevada City.

May 29 is the final day for applying.

National, State Flags Flying at High School

For the first time this year, the Stars and Stripes and the California state flag are flying at the high school.

The finishing touches, except for final painting, were made on the 50 foot pole last week and on Monday the flags waved proudly atop the pole near the main entrance to the Tahoe-Truckee High School building.

The base of the new flag pole has a beautiful black granite top.

CABONA'S
TRUCKEE

ENTIRELY NEW! COMPLETELY DIFFERENT!

the new
Cycla-matic
FRIGIDAIRE

A WONDERFUL NEW FOOD FREEZER
AND REFRIGERATOR COMBINED!

HERE IS THE NEW FOOD FREEZER!
where Levelcold keeps frozen foods zero-zone safe

AND HERE IS THE REFRIGERATOR!
where super-safe Levelcold temperatures
keep fresh foods better than ever.

CYCLA-MATIC DEFROSTING!
The Refrig-o-plate and revolutionary Cyclamatic defrosting principle work hand in hand to end two of the most annoying problems found in many refrigerators — too much moisture and manual defrosting. It's the most reliable and simplest defrosting system known. And only Frigidaire has it.

Fritzi Ritz

By ERNIE BUSHMILLER®

I'LL GIVE PHIL A RING--

MAY-18

OH, PHIL--I HAVE A WONDERFUL, NEW JOB--MEET ME FOR LUNCH AND I'LL TELL YOU ABOUT IT

O.K., FRITZI

IT MUST BE A VERY IMPORTANT JOB--I WONDER WHAT IT IS

HE'S LATE-- I'M LEAVING

R-RIP!

OH, DEAR-- AND THERE'S NOT A TAXI IN SIGHT

OH, MISTER, I'LL GIVE YOU A DOLLAR TO HELP ME GET HOME

OKAY, LADY

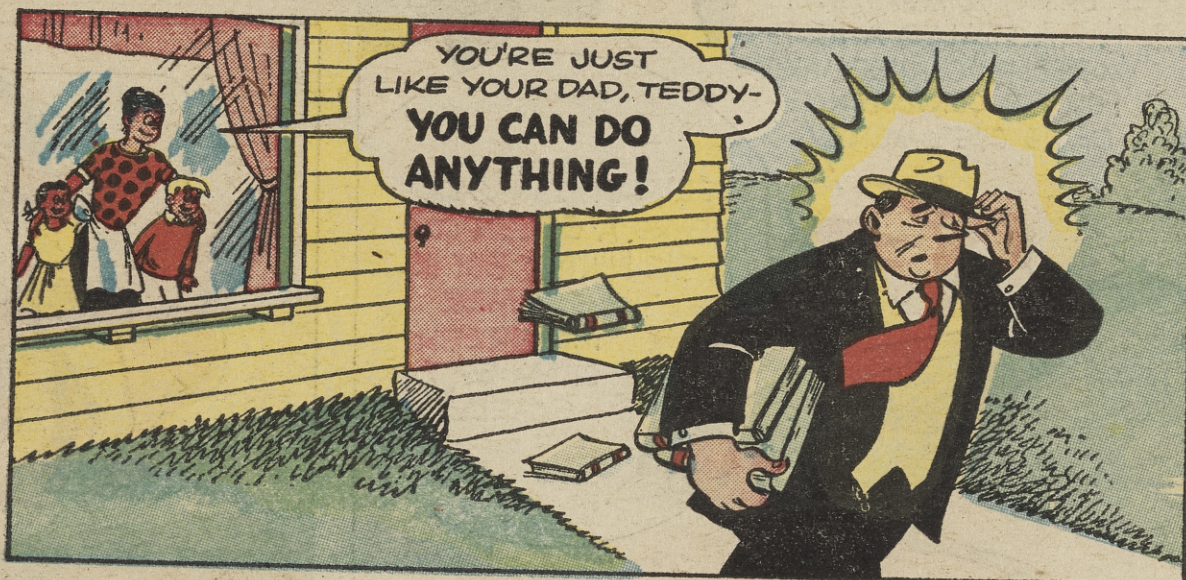

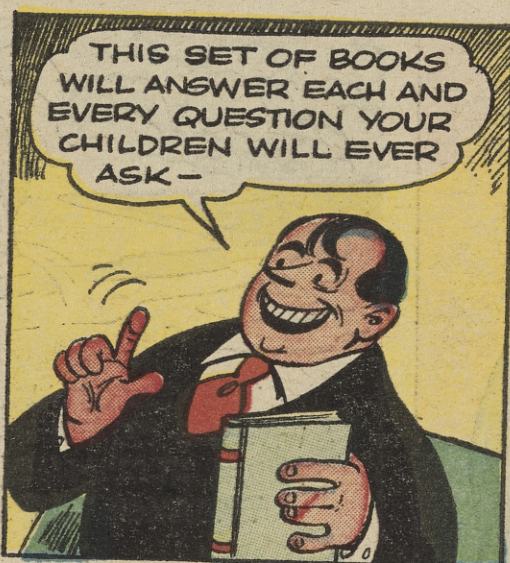

EAT AT JOE'S HASH HOUSE

FRITZI, I COULD HAVE GOT YOU A BETTER JOB THAN THAT!

MAY-18

THE CAPTAIN AND THE KIDS

Tarzan

by EDGAR RICE BURROUGHS

AS TARZAN LISTENED, INTRIGUED, JORGE DURANA CONTINUED WITH THE HISTORICAL BACKGROUND OF HIS STORY... "ALTHOUGH THE INCAN SLAVES RAVAGED THE SHIP, THEY SPARED ONE CREW MEMBER, HOPING HE COULD GUIDE THEM BACK TO PERU."

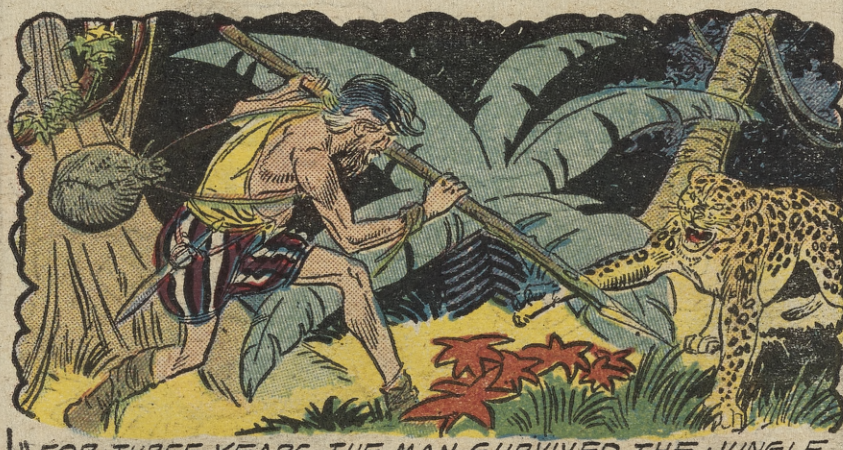

"THE SAILOR SUCCESSFULLY BLUFFED THE ROLE OF NAVIGATOR UNTIL SUPPLIES RAN LOW. THEN, JUST WHEN THE DISGRUNTLED INDIANS DECIDED TO KILL HIM -- SOMEONE SPOTTED LAND!"

"THEY WEIGHED ANCHOR, UNKNOWNLY, ON THE WEST AFRICAN COAST, SO HAPPY TO REACH SAFETY THAT THEY FORGOT TO MAINTAIN A CLOSE GUARD OVER THEIR WHITE CAPTIVE --"

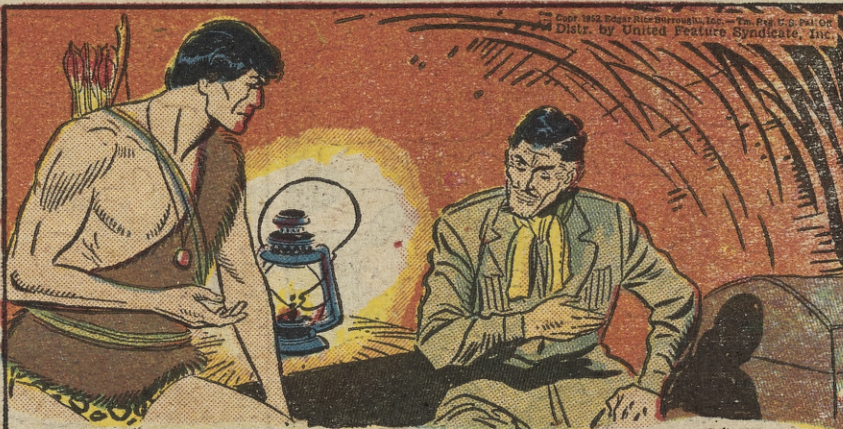

"WHO, AT FIRST OPPORTUNITY, BROKE FOR COVER! A FEW INCAS GAVE CHASE, BUT, FEARFUL OF THE STRANGE LAND, SOON REJOINED THEIR FELLOWS."

"FOR THREE YEARS THE MAN SURVIVED THE JUNGLE PERILS, MIRACULOUSLY ESCAPING HOME TO SPAIN-- BUT THE TRAGIC EXPERIENCES DESTROYED HIS HEALTH AND HIS REASON."

"LATER, ON HIS DEATHBED, HE JABBERED HIS SECRET TO A SON. HENCEFORTH, THE STORY WAS PASSED; HOWEVER, ALL THE FAMILY CONSIDERED IT THE RAVINGS OF A MANIAC-- EVERY ONE, THAT IS, EXCEPT ONE -- YES, ONE MEMBER OF THAT FAMILY BELIEVED THE TALE!"

"WHERE DID YOU GET THIS INFORMATION?" ASKED TARZAN. JORGE SMILED SLYLY. "I FORGOT TO MENTION THE MAN'S NAME; HERNANDO DURANA -- MY ANCESTOR!"
